New York and Liberia Steamship Company

M. P. SMITH & SONS CO., Gen. Mgr.,
116 Broad Street, New York City.

JAMES ROBERT SPURGEON, Chief Promoter.
AUGUSTUS O. FAULKNER, Travelling Representative.

Incorporated under Laws of the State of New York.
Capitalization \$50,000. Full paid and non-assessable.

The New York & Liberia Steamship Company is a Negro Enterprise. It has a unique and unchallenged claim to the support and patronage of all Afro-Americans and well wishers for the success and promotion of Negro combinations of commercial and financial advancement; a corporation of Negro stockholders primarily, with a capitalization of fifty thousand dollars, to be increased to eight hundred thousand dollars as soon as the interests of the Company and the commercial needs of the trade demands it, and it is obvious that the New York & Liberia Steamship Company is the only one in existence that will run a line of steamers in the near future between the port of New York and the ports of Liberia, touching at Cape De Verde, going as far south on the West Coast as Bonny and Gaboon.

The enthusiastic and hearty support of the race to this Company offers a field of profitable and honorable support to the Negro, hitherto absolutely closed. In it, the Negro becomes a strong competitor on equal footing in the commercial world. The success of this Company insures munificent returns in the shape of profits to the investors and shareholders. You may now secure a share of stock at five dollars.

Ye men and women of the Race lose not this commercial opportunity. For further information apply to Main Office, 116 Broad Street, N. Y.
